- Honest, reliable and a good time-keeper
- 3–5 years' industry experience in hard and soft landscaping
- Full clean UK driving license
- Ability to work alone or as part of a team
- Ability to manage small projects or a small team
- Attention to detail and quality of work
- Excellent time management skills
- Strong communication skills both written and verbal, including communication with clients

Desired Skills:

- Health & Safety and manual handling knowledge
- Basic IT skills
- Ability to set out, including levels, from scale drawings
- Experienced digger and dumper operator (certified desirable)
- Construction and installation of water features
- Groundwork, footings, shed bases and screeding
- Brickwork, blockwork and pointing; including retaining walls, steps and terraces
- Dry stone walling
- Fencing, decking, raised beds and timber constructions e.g. pergolas
- Drainage and manhole installation
- Paving including block paving and porcelain paving
- Turfing and seeding
- Planting, pruning and hedge cutting
- Bed preparation, weeding and mulching
- Rendering and irrigation knowledge are desirable
- Towing and Chainsaw licenses are desirable

References will be required and taken up.
